

MATCHLESS MANIPULATING MARVEL—The slack-wire, juggling wonder of the century is what they are calling the Great Joannides, just arrived from his native Greece to star in the 1953 edition of the Clyde Beatty railroad Circus. Joannides not only juggles a wide variety of hoops, balls and lamps, but does it while balancing on one foot on a slack wire. The circus, with Clyde Beatty in person, will appear in Torrance April 29 at 220th st. and Western ave., with performances at 3 and 8 p.m.
